## FROM OUR PASTOR

### FAMILY MISSION TRIP REPORT

A team of 25 from our church spent much of their Spring Break on mission serving the Georgia Baptist Children's Home in Warm Springs, Georgia. This mission team consisted of eight adults, five teenagers, and twelve children. This particular children's home campus doubles as the Good Shepherd Horse Riding Academy. We did a variety of work projects such as boardwalk repair, pressure washing, craft room and first aid room organization, horse stall cleaning, fence mending, trail clearing, painting horseshoes to hide for trail ride, clean saddle blankets, cleaning out water troughs, clearing rocks from riding arena, feeding horses, etc. We got to interact with some of the boys on that campus as they helped our children learn how to care for the horses. We also got to meet some of our Georgia Baptist Campers on Mission who were serving there alongside of us. You would be so pleased to see how well this team represented Christ and our church as they worked hard with a great team spirit and a Christ-like attitude!

Thank you so much for praying for us and allowing us to be on mission representing Jesus to those boys and serving their staff.

### POLICE PRESENCE

Our Thomasville Police Department has started a new initiative for local churches. They are trying to have a greater presence on Sunday mornings on our campuses as a proactive way of building stronger relationships in our community. Their presence also helps stem off any potential threats or unfortunate situations. So please do not be alarmed when you see police officers on our property or in some of our buildings. They are just trying to help keep our community of worshippers safe.
